MEMORANDUM FOR: Chief, Programs and Budgeting Staff

SUBJECT : MBO Program Review

DCO #2,3 DCO #1

1. Now that we are halfway through our FY-74 efforts relating to DDM&S MBO Objectives #1 and #2, the staff probably has a clearer picture of the problems which will need to be faced in achieving these objectives. Perhaps it would be timely to hold a meeting to exchange views, review progress and identify areas where further guidance might be needed. Such a meeting would be helpful to me in gaining a better understanding of the OC approach and expected results. Also, I believe we should be thinking about an approach to presenting the results of the FY-74 study efforts and the proposed FY-75 follow-on to the OC Executive Board for decision in about June 1974.

2. Please check the Office Chiefs regarding above and schedule a meeting when and if they are prepared for such a meeting.
